EXEMPLARY PRACTICES IN EDUCATION CONFERENCE FEATURING BILL DAGGETT FOR CENTRAL VALLEY EDUCATIONAL LEADERS

The Process of Change:
Preparing Students for Their Future
Grades 6-16

JANUARY 20, 2010, 8:00 a.m. – 2:30 p.m.

General sessions will highlight Dr. Bill Daggett, a former school and college administrator and founder of the International Center for Leadership and Education. He is a renowned expert in working with schools across the country, moving educational systems toward more rigorous and relevant skills for all students. Dr. Daggett was recently appointed to the Reauthorization of the Perkins Act Advisory Board.

School2home

- Innovative program that will close both the Achievement Gap and the Digital Divide.
- School2Home was developed by CETF with the input and guidance of a Leadership Group and Design Teams.
- School2Home Goals
 - Increase digital literacy, educational performance and 21st Century skills of participating students.
 - Strengthen parent involvement through the use and adoption of broadband technologies.

School2home

The School2Home program will:

- enable schools to equip each student with a computing device for use at school and home.
- Provide technology professional development for teachers at participating schools.
- Provides digital literacy training for parents and ensure all families have specially priced internet access.

The program will expand to ultimately serve all 500+ low performing California middle schools.
