Thriving Regions. Thriving State.

And many other local partners across the state!

To build a plan together for inclusive,
sustainable growth across California

CAFWD:

Regions Rise Together

Bring together diverse leaders in every region over the coming years

- Gather ideas from local leaders and learn about each regions' assets and opportunities
- Leverage the investment and policy priorities of the state to build a comprehensive plan that lifts every part of CA
- Initial focus on Central Valley and Inland Empire

The first progress report

- Will be delivered by Governor Newsom at the CA Economic Summit, Nov. 7-8, 2019, in Fresno
- Will include the state's commitments to Central Valley and Inland Empire

California Forward is a 12 year old cross-sector civic leadership group committed:

- To producing prosperity for all Californians in all of the state's regions; and,
- To improving government performance and accountability

The Economic Summit is a project of CA Fwd that, since 2012, has:

- Brought together a dedicated group of public, private and civic sector leaders from all over the state
- Developed and is implementing an agenda for collective action, the Summit's Roadmap to Shared Prosperity
